Navigate with Ease

The Nuvi 1430's intuitive interface greets you with two simple questions: "Where To?" and "View Map." Touch the color screen to easily look up addresses and services and get voice-prompted, turn-by-turn directions that speak street names to your destination. It comes preloaded with detailed City Navigator® NT street maps, nearly 6 million points of interest (POIs), 2-D or 3-D maps and the speed limit for most major roads. Its digital elevation maps show you shaded contours at higher zoom levels, giving you a big picture of the surrounding terrain. With the 1350's enhanced user interface, you can slide your finger to conveniently scroll between screens. And with HotFix® satellite prediction, it calculates your position faster to get you there quicker. The Rocanda

Technologies Nuvi 1350 GPS bundle comes ready to go right out of the box with everything you need, including vehicle suction cup mount and vehicle power cable. You will have the ability to locate any oil well in Western Canada as well as navigate with the most detailed road network provided by Garmin. This will allow you to easily find those hard to locate oil and gas wells, plant sites, farm locations, etc.

It's easy to see where you're going on nüvi 1350's 4.3-inch touchscreen display. View map detail, driving directions, photos and more in bright, brilliant color. With its big, bold display, you won't miss a thing. It offers multiple-point routing, lane assist with junction view to guide you through busy highway interchanges, pedestrian routing options and ecoRoute to find the most fuel-efficient route.

Slim Down. Take It With You

Twenty-five percent slimmer than other Garmin Nuvi's, the Garmin Nuvi 1350 is an ideal traveling companion. The Garmin Nuvi 1350 easily fits in your pocket or purse, and its rechargeable lithium-ion battery makes it convenient for navigation by car or foot. Take advantage of the Garmin Nuvi 1350's new Public Transit mode by downloading optional CityXplorer content for select cities to navigate via subways, trams, buses and more.

Go Beyond Navigation

Navigation is just the beginning. The Garmin Nuvi 1350 includes many travel tools including JPEG picture viewer, world travel clock with time zones, currency converter, measurement converter, calculator and more. With photo navigation, you can download pictures from Garmin Connect Photos and navigate to them. It's also compatible with lifetime traffic¹ alerts or MSN Direct (receiver purchase required for either option). With its "Where Am I?" emergency locator, you always know your location. Simply tap the screen to get your exact latitude and longitude coordinates, the nearest address and intersection, and the closest hospitals, police stations and fuel stations. The Garmin Nuvi 1350 features Garmin Lock, an anti-theft feature, and is compatible with our free Garmin Garage where you can download custom custom voices and vehicles. Enhance your travel experience with optional plug-in microSD cards.
