Lifetime Mapping and Traffic

With free Lifetime Map and Traffic updates, you always have the most up-to-date maps, points of interest and navigation information available at your fingertips. Traffic information is updated constantly, and map updates are available for download up to 4 times a year. Both features are ready to go, right out of the box, with no subscription or update fees and no expiration dates.

Make Hands-free Calls

For hands-free calling, Nuvi 1490LMT integrates Bluetooth® wireless technology with a built-in microphone and speaker. Just pair it with your compatible Bluetooth phone and talk hands-free through the 1490LMT while staying focused on the road. Simply dial numbers with Nuvi's touchscreen keypad to make a call. To answer calls, just tap the screen and speak into its built-in microphone. Enjoy convenient one-touch dialing for contacts and points of interest.

Navigate with Ease

The Nuvi 1490LMT's intuitive interface greets you with two simple questions: "Where To?" and "View Map." Touch the color screen to easily look up addresses and services and get voice-prompted, turn-by-turn directions that speak street names to your destination. It comes preloaded with detailed City Navigator® NT street maps, nearly 6 million points of interest (POIs), 2-D or 3-D maps and the speed limit for most major roads. Its digital elevation maps show you shaded contours at higher zoom levels, giving you a big picture of the surrounding terrain. With the 1490LMT's enhanced user interface, you can slide your finger to conveniently scroll between screens. And with HotFix® satellite prediction, it calculates your position faster to get you there quicker. The Rocanda Technologies Nuvi 1490LMT GPS bundle comes ready to go right out of the box with everything you need, including vehicle suction cup mount and vehicle power cable. You will have the ability to locate any oil well in Western Canada as well as gas wells, plant sites, farm locations, etc.

navigate with the most detailed road network provided by Garmin. This will allow you to easily find those hard to locate oil and gas wells, plant sites, farm locations, etc.

It's easy to see where you're going on with the 5-inch touchscreen display. View map detail, driving directions, photos and more in bright, brilliant color. With its big, bold display, you won't miss a thing. It offers multiple-point routing, lane assist with junction view to guide you through busy highway interchanges, pedestrian routing options and ecoRoute to find the most fuel-efficient route.

Plan Ahead

Nuvi 1490LMT includes advanced navigation features to take the worry out of traveling. With route planning you can save 10 routes, specify via points and preview simulated turns. In addition automatically sorts multiple destinations to provide an efficient route for errands, deliveries or sales calls. A trip log provides an electronic bread crumb trail of up to 10,000 points, so you can see where you've been on the map.

Go Beyond Navigation

Navigation is just the beginning. Nuvi 1490LMT saves you gas and money with ecoRoute — a green feature that calculates the most fuel-efficient route, tracks fuel usage and more. The 1490LMT includes many travel tools including JPEG picture viewer, world travel clock with time zones, currency converter, measurement converter, calculator and more. With photo navigation, you can download pictures from Garmin Connect™ Photos and navigate to them. With its "Where Am I?" emergency locator, you always know your location. Simply tap the screen to get your exact latitude and longitude coordinates, the nearest address and intersection, and the closest hospitals, police stations and fuel stations. The 1490LMT features Garmin Lock™, an anti-theft feature, and is compatible with our free Garmin Garage where you can download custom voices and vehicles. Enhance your travel experience with optional plug-in microSD™ cards.
